

OTHER

There is no television on the property. The nearest small grocery store and gas pump is at Indian Creek State Park. The next nearest store is in Coolin. The Leonard Paul Store at Coolin is a full service grocery store with lots of local touches. Coolin also has a fun gift shop. We recommend that if you are visiting in July or August; try to taste the fresh famous Priest Lake Huckleberries. The Huckleberry Daiquiri is great at any of the local resorts that are accessible by boat.
